

Name Kirstin Powers

Address 21 Shermor Place, New London, CT 06320

Phone Number 717-330-1035

Members of the Appropriations Committee:

The Family Resource Centers provide enriching and engaging programming. As a teacher, I recognize the importance of play-based learning and exposing children to early literacy activities. They are helping to lay the foundation for success in school and life for my kids and others, and I'm so grateful for the work they do here in our town.
